The following observations were made on the Lberswaldo-Trampe road (% 53/V 18) on the same day: a. A group of eight men wearing black-bordered black epaulets, let
by a first lieutenant, constructed telephone lines from the Schuetteserne toward Trampe.
o. An armored recommaissance car, loaded with chraboard targets, speeded toward Temmpe.
. A group consisting of a first lieutenant, a second lieutenant a lieu
1. Three SP guns were taken from the former Artillerie Baserne and coing through the woods along Tramperchaussee, proceeded toward Alone 53/V 17).
